

Tribulation-Now Interview (Final Steps for the Bride)

This was an interview given on 7/12/2017, discussing the final steps of the Bride of Christ. If you are experiencing severe trials right now, it may very well be that God is answering your prayers! Judgment is coming, and how you're affected will depend greatly upon which "group" you're in.

Jesus is beckoning His people to "Come!"

My portion of the interview begins at the approximate 1:38 hour marker.
