

Stand Your Ground!

I pray the Body is awake enough now to hear and respond quickly to the instructions the Lord's giving in this hour. I include myself in this prayer.

Three words given just after President Trump's election have been presented to me over and over the last few weeks. Thinking I already understood the meaning of each, I wasn't sure what God was trying to show – until the Lord "awakened" me a few mornings ago.

As I awakened the morning of May 17, 2020, the Holy Spirit was holding up particular pieces of each word, showing their connection. God told us back then what was coming! In His faithfulness, He's continued sounding the alarm to a sleepy Body, who would only slightly stir for a moment – then fall soundly back asleep!

I'll give a condensed explanation and/or excerpt of each of the three posts before sharing what God's revealed about them. Links have been provided in the titles of each, if you wish to read in their entirety. This article will be a little longer than normal, but I pray you will stay with me to the end.

1st Post: ['Do Not Leave Your Station!'](#)

Tuesday, November 8th, 2016, the night of President Trump's election, I went to bed and had a dream I was going through a residential neighborhood. Everyone was breaking out in celebration over the Trump victory, but I didn't feel like celebrating at all. Instead, deep sorrow and a sense of mourning grew stronger within me as I walked.

I saw an empty house with a front porch and went to kneel down to pray. I began crying and interceding for Trump's protection, as well as the repentance of all the people running around the neighborhood acting crazy.

Suddenly, I felt someone tapping me on the shoulder. I looked and saw a woman standing behind me. She began speaking very softly, telling me it was time to stop mourning. She said, "Please stop crying. This is a time to rejoice! Come, join us!"

She began talking about how everything had changed, that everything was going to be okay now. But in my spirit, I knew something was very wrong, and began to explain this to the woman. I told her Trump was in need of much prayer, that the country was not okay, and that we needed to continue praying for repentance. I was in mid-sentence as I turned to look her in the eyes. All I saw was a blank, lifeless stare. She acted as if I'd said nothing, and began repeating all she'd previously told me.

Upon awakening, the first thing I heard very clearly in my spirit was, "**There is more to come!**" As I sat still in His presence, the Lord said, "**DO NOT LEAVE YOUR STATION!**"

I was then shown the following:

The neighborhood represented the United States. Those "celebrating" were those who'd formerly been very worried about the nation. They'd pinned their hopes and dreams of turning the nation around on the election of a man. So when

the man won, they breathed a sigh of relief, and the celebrations began. It was obvious they'd had no change of heart.

The woman represented a deceiving spirit sent to the Church. She's saying there's no need to continue in the prayer of intercession, because all is well now.

2nd Post: ['He's Coming for the Children!'](#)

Soon thereafter, on the evening of March 16, 2017, during a small prayer group meeting in my house, I was praying in the Spirit, when the Lord gave me a vision/word:

I saw a large group of children gathered together. They were all age groups. Suddenly, I heard the Lord say,

"Pray for the children!"

As I watched, a large dark cloud formed and began coming rapidly towards the children. As it got to them, it began to spread out and encircle them. Just then, the Lord said loudly,

"The enemy wants your children!"

"He is coming for the children!"

3rd Post: ['A Call to Action!'](#)

On the morning of August 15, 2017, a friend and I were at her house out in the country, spending time in prayer on her front porch. I began to watch movement in the trees as the wind blew, and clouds suddenly filled the sky above us. I heard rumblings of thunder in the distance, turned my attention back to the trees, and saw an open vision of the following:

I saw a large field totally filled with airplanes. As the view broadened, I realized it was a military base. Suddenly, many dark clouds moved rapidly toward the base, and I knew they were evil spirits.

I saw many other military bases dotting the countryside. Evil spirits were being sent to all of them, delivering wicked orders to individuals within.

As we continued praying, I saw certain men and women at these facilities who were Saints of God. It was impressed upon me to pray for them, that angels be loosed to minister to these individuals. As we prayed, angels were dispatched. I saw the ears of these Saints being touched, and knew they were being enabled to clearly hear the voice of the Lord, so they could receive His orders and assignments.

The orders dispatched by evil spirits are set to be carried out at some point in the future, but I wasn't shown exactly what the orders are, or what's to "trigger" them. It was made clear the lives of the citizens of the U.S. will be affected and put in danger by this evil plan.

The Connection:

In the dream 'Do Not Leave Your Station,' the woman talking to me was a deceiving spirit sent out to the Church that night. Her message: there's no need to continue in prayer and repentance, because all is well now. The deception spread over this nation like a warm cozy blanket, assuring the "church" all is well – Trump is at the helm. It was evident the very next day as we heard Christians describe the utopia Trump would be setting up; Trump became an idol to the multitudes.

After the dream, I asked the Lord how I was to pray over

Trump. The main thing the Holy Spirit continually stressed was, **“He has a decision to make!”** Saints, it appears he may have already made that decision.

In a nutshell, plans are currently being announced by governments around the world, with the U.S. leading the charge, to proceed towards “virus” testing for ALL. Contact tracing is to be carried out by investigation teams, who can just show up at your door claiming you or your child have been exposed, and need to be removed from the home for mandatory quarantine.

President Trump is calling for a “vaccine” to be produced at “Warp Speed,” saying the military will be used in the dispensing of such.

Participation in contact tracing, testing, and the “vaccine” will be mandatory – *if* you want to have a job, go to school, purchase food, or otherwise participate in society. Facilities are now set up all over the world, ready to house, and/or eliminate, those not willing to go along with the “new normal.”

As in the ‘Call to Action’ vision, orders are being dispatched by evil spirits to be carried out by our military, police, and other groups used in this upcoming operation. It was made clear the lives of the citizens of the U.S. will be affected and put in danger by this evil plan.

From what’s been shown, it seems the scheme of the devil in this first phase is to weaken and break down the family unit – to rip apart what God established from the very beginning, his main target being the seed of the righteous!

The Lord’s not only exposing the plans of the enemy, but giving His people specific instructions:

We were told “Do Not Leave Your Station,” so that’s where we should be today; in prayer and repentance for ourselves and

this world. We must be at the ready to say and do as the Spirit leads.

God's told us to pray for the protection of the children, to pray for the military, police, and all groups that will be called upon to carry out the plans of the wicked. Let's pray angels be loosed to minister to these individuals, and they be enabled to clearly hear the voice of the Lord, to receive **His** orders and assignments. He's placed some of His very own people within these groups, and these precious souls will soon be facing some of the hardest decisions of their lives – whom will they serve!

I always pray for God's will to be done in ALL things. It's being made perfectly clear – It's NOT THE WILL OF GOD that Satan take our children and tear apart the family of His servants! We have been instructed to pray over these things. Scriptures below show the heart of God in this matter!

Yes, the devil wants the children, and yes, he's coming for them. BUT HE CAN'T HAVE THEM! I plead the Blood of Jesus over the seed of the righteous, and stand arm-in-arm with my brethren on the very Word of the Living God concerning our descendants!

I mentioned in a previous post '[Gather the Evidence](#)' that I was told from the beginning of this "crisis" it was a "Practice Run – Dress Rehearsal" of the enemy. But God is also using this situation as a practice run for the Saints. He's teaching us to stand our ground against the enemy; laying the groundwork to unseat these wicked rebels in the heavenly realms.

Saints, the battle is the Lord's, and this war has already been won! And we praise God that He's using the Church, the Body of Christ, to declare and make known the manifold wisdom of God to the principalities and powers in the heavenlies. (Eph. 3:9-11)

Armor up, Saints! Draw your swords and stand your ground! We must fight the good fight of faith. In the Name of Jesus and by His authority, let's bind the hand of the enemy, that his wicked plans be turned upon his own head and brought to naught.

May we use this time wisely to fast and pray, that the bonds of wickedness be broken and captives set free – for the reaping of the largest harvest of souls for the Kingdom of God to ever hit the planet!

Saints, please pray over this word.

Personal Note:

I plan to spend this week and next alone with the Lord in prayer and fasting. I pray for as many as are able to join me in seeking God with every fiber of our being during this season of Pentecost. May we fasten our eyes upon Him, as we wait expectantly for the fresh Fire of the Holy Spirit to rain down upon us.
